The Spring Goods this year are prettier than ever. The variety here is very great and every purse can find what they are looking for.

We have sold more handsome dresses this year than ever before. There is a reason, and it is, anyone can buy the goods with lovely trimmings and have it made for one half the price of a ready-to-wear garment and they can express their own individuality in the garment. Try our way; get two or three dresses for the price of one.

The Novelties are the latest to be found anywhere. The Housefurnishing Department is filled with the goods you need, at attractive prices.

May Fashions, Designer and Quarterly are here.

ELECTRIC SIGNS!

The distinguishing air of quality which a firstclass Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad.
